

We have good news for you!

Minor medical expenses are an exclusive benefit of Amazon that allows for partial reimbursement of expenses incurred for medical consultations, medications, and prescribed tests.

Services that are not eligible for a major medical expense are included such as: medical consultations, nutritionists, psychologists, ophthalmic lenses, medical check-ups, and COVID tests.

It is a benefit at no cost to all Amazonians and their eligible dependents who are registered in the company's major medical expense policy.

You can refund!!!

we will reimburse you 80% of medical, ophthalmological, psychological, and nutrition consultations, as well as medications and medical tests.

refundable amounts

- medical, psychological, and nutritional consultations for up to \$800 Mexican pesos
- physical therapy sessions for up to \$800 Mexican pesos
- Studies conducted in clinics for up to \$1000 Mexican pesos.
- Medical studies prescribed by a doctor up to \$1000 Mexican pesos.
- medications prescribed by a doctor up to \$1000 Mexican pesos
- purchase of prescription glasses from an ophthalmologist or optometrist for up to \$1000 Mexican pesos.
- vaccination application of up to \$1000 Mexican pesos
- COVID test \$3500 Mexican pesos
- all these amounts include VAT.

Additionally:

- check-up for Amazon employees starting at 30 years old, up to \$17,400 Mexican pesos. does not apply to family members.
- COVID tests at 50% with a limit of up to \$3500 Mexican pesos. These tests do not affect your annual total as an employee.
- COVID vaccine 100% with a limit of up to \$1000 applies to the policyholder and beneficiaries. These vaccines do affect the annual sum as an employee.

Expenses included

Remember that you have an annual amount depending on the number of family members you have registered:

- Total amount for employee without dependents: \$5000 Mexican pesos
- Total amount for employee with 1 dependent: \$7500 Mexican pesos
- Total amount for an employee with 2 or more dependents: \$10,000 Mexican pesos

Requirements for reimbursement

- All refunds you request must be billed to your name and with your RFC, complying with all tax requirements.
- The doctors who attend to you must have an active professional license and their specialty must correspond to the consultation they have provided you.
- Request your refund within a maximum of 60 calendar days after the invoice date.

Refund process

Visit your preferred medical service
