

Dear Amazonian:

We are committed day by day to our customers by implementing continuous improvement for the services offered.

To request your refund, enter through the link:
<http://reembolsos.salud-interactiva.mx/>

Your temporary username and password were sent to your corporate or personal email by the system administrator. Remember to change your password.

Now that you changed your password, update your profile:

To enter the plataforma, you Will need to update your profile and complete the following fields.

- Date of birth
- Sex
- RFC
- Phone
- CLABE interbancaria
- Bank
- Add a JPG format photo of the official identification (front) it should not weigh more than 10 MB
- Add the account statement in PDF format (where the CLABE appears) it must not weigh more than 100Kb

To request your reimbursements and those of your dependents, you must issue the invoice in your name along with your RFC to avoid being rejected.

Reimbursements are paid only to your bank account, so it is important that your profile is complete.

When uploading an invoice to the platform, you need to select the benefit to which the claim corresponds. A category of specialties will be shown, which you must select in order to upload the invoice. After uploading the invoice, save it and send it for review so that we can see your request. If the information is correct, you will receive your reimbursement within 4 business days.
